2a. Grant requests should be sent to the Earhart Foundation, c/o Director of Programs, 2200 Green Road, Suite H, Ann Arbor, MI 48105. The telephone number to receive additional information is (734) 761-8592.

2b, c, and d. The foundation has concentrated grant proposals on educational matters, with an emphasis in disciplines from the social sciences and humanities such as economics, philosophy, international affairs, and government/politics. To the extent possible support is directed to designate graduate students, scholars, and research principals.

The maximum term of any appropriation is 12 months. Requests for general operating support are discouraged, and endowment and building programs are not assisted.

H.B. Earhart Fellowships are awarded to move talented individuals through graduate study in optimum time to embark upon careers in college or university teaching or research. Recipients are nominated by selected faculty sponsors who monitor their performance. Direct applications are not accepted.

Fellowship Research Grants are awarded upon direct application to the foundation. Such persons must be associated or affiliated with educational or research institutions and the effort supported should lead to the advancement of knowledge through teaching, lecturing and publication. The application must include (1) curriculum vitae, (2) a full description of the proposed research- 3 to 5 pages in length, (3) an abstract of approximately one page (single-spaced), (4) the intended end use or publication, (5) a budget and time schedule, (6) a list of five references with addresses, and (7) a statement about applications elsewhere. Proposals should be submitted at least 120 days before commencement of the projected work period.

Grants are occasionally made to "publicly supported" educational and research organizations legally qualified for private foundation support. Specific projects or activities are usually identified for support and frequently the grant also will designate a person named in the application to execute or monitor the activity. Most grants are approved late in each calendar year. Written inquiries are preferable before a formal submission.

MADE OR APPROVED FOR FUTURE PAYMENT
YEAR ENDED DECEMBER 31, 2004

EXPLANATORY NOTES:

1. The first two digits of the resolution number identify the year in which the grant was approved.
 2. There is no relationship between any individual recipient and the Foundation's managers or substantial contributors. All grants to individuals were made in accordance with procedures approved by the Internal Revenue Service April 24, 1973.
 3. The educational institution following the name of each fellow is the place of graduate study. The address is the mailing address for official correspondence. An asterisk (*) indicates that a commitment for tuition is included in the fellowship. The amount of the tuition payment is determined upon billing by the college or university and is not included in the columns headed "Amount Approved for Payment" and "Unpaid Commitment". The tuition payment is included in the column, "Disbursed Current Year", and is represented by the amount disbursed less the difference between the amount approved and the unpaid commitment.
 4. Some Fellowship Research Grants and Grants to Organization are divided into two amounts: (a) the fellowship stipend or grant purpose and (b) funds to cover research, secretarial, clerical, travel or tuition expenses involved in carrying out the purpose of the grant.
 5. Unless otherwise indicated the personnel and subject matter involved were selected by the grantee and the program conducted by the grantee, all in accordance with the application submitted.
 6. All organizations to which grants were made are classified as public charities as described in section 509 (a) (1), (2) or (3).
 7. Unless otherwise indicated the "Amount Approved for Payment" is the undisbursed balance of the original commitment carried forward from the previous year(s).
